

Participating Teams In MAPL-YORK,

As we continue to monitor the counter measures being taken to halt the spread of COVID-19 in our communities it has become clear that hosting MAPL York on March 28 and 29 would not be prudent. **We are therefore postponing MAPL York until the weekend of May 30-31** in the sincere hope that our country will be safe from the immediate threat and able to resume life as normal. We of course regret the inconvenience that this will cause but hope to see all of you in May.

In partnership with the York Expo Arena we have secured the event infrastructure needed to host the event on the alternative dates. We are working with Explore York to accommodate lodging for participating teams and assist those with current hotel arrangements booked through Explore York on altering their reservations.

Be aware that we do not have direct control of the hotel's process.

Please reach out to the hotel directly to alter your hotel stay. If you have any questions, please feel free to contact Alyssa Keeny at alyssa@yorkpa.org.

We recognize that some teams may be unable to compete on this new date. We also recognize that many teams have lost valuable competition days given the extensive cancellations in our sport. To accommodate what we suspect will be some team movement we are doing the following:

- Contacting all teams in the event and reconfirming their intent to participate.
- Re-opening event registration in AES to allow teams seeking competitive opportunities the ability to apply. These teams will have a "PENDING" status until an opening becomes available. Openings will be filled on a first-come, first-served basis.
- REFUND POLICY: To the extent that we can replace a team that must drop with a new team; we will consider refunds on a case-by-case basis.
- Here is the link to make future bookings <https://mmxreservations.com/fer/yorkpa?pageCode=MAPLvolleyball>

We appreciate your patience as we tend to the finer details of moving our event to May. Questions can be addressed to orlvb@aol.com or info@maplvb.com

Thank you for your understanding,

Sindee Snow
